### Narrative

Discuss the following points using no more than two (2) pages:

1. Describe how the grant funds were used. Briefly note any major deviations from the project/program as described in the original Regional Arts Partner grant application (narrative and/or budget).
2. Please evaluate your project/program in terms of accomplishment of the project/program goals and its effectiveness or impact on the participants and the audience(s) served.
3. Is the Regional Art Partner re-grant responsive to the needs of your organization and the project/program funded? How can it be more effective?

This is **one of three** reports required. The others are *Financial* and *Summary*, which must be submitted on the forms provided. All reports must show completely and accurately how the project/program occurred.
